

Pre-Cut, Sheeted, Adhesive Tape Rolls

Polymag® Tek Pre-Cut, Sheeted Adhesive Tape Rolls are the most cost effective adhesive tape rolls on the market today. Clean cut sheets with no paper fibers or hanging chads make this product ideal for clean room applications. Pre-cut at a set interval, these rolls reduce waste from operators manually cutting off excess tape.

Applications

- Contact Web & Sheet Cleaning Consumable

Features

- Available in face length up to 60"
- Ships domestically within 24-48 hours
- Sold in cases of 4 rolls
